

“The Bark Heard Around the World”

Dear Friends,

We are just a little more than one month away from “Bark” - hosted by **Pupppymillrescue** Inc. **www.pupppymillrescue.com** and the **Beverly Animal Shelter** in Waterloo, NY.

We are very excited to update you on the progress we are making for this inaugural and educational event to be held on May 17th from 10-4pm at the Yates County Fairgrounds in Upstate NY.

Our list of guest speakers for the event includes:

From the Best Friends Animal Sanctuary in Utah:

Franklin McMillan DVM, who is working on the mill dog study and is the author of "Mental Health and Well-Being in Animals" – a textbook used in countries all over the world.

From the European Hockey League:

Mike and Dana Harder – Adopters of two PMR pups Della **<http://www.pupppymillrescue.com/della.htm>** and Tiny Dancer, Mike is a center for the HC Alleghe Hockey team in the European Hockey Division. They will be telling Della’s story of survival. Dana Beck Harder is the president of Bill Adler Books, a literary agency based in New York City. Specializing in celebrity non-fiction, her past and current clients include Monica Seles, Donald Trump, Yoko Ono, Larry King and Charlie Daniels

From NYC:

The men of Rescue Ink- **www.rescueink.com** the main thing that brings them together is their love of animals. They met because they were all doing the same thing in their spare time: rescuing and finding homes for abandoned and abused animals.

From the Art Gallery of Philadelphia and a tour of the country:

Puppies are Biodegradable - www.puppiesarebiodegradable.com Unspeakable violence is taking place in Puppy Mills - the show consists of original artwork created especially in support of the cause. The range of artists reflects the diversity of contemporary art practices, and unites them into one theme: They give voice to the tortured lives of thousands of dogs.

From our own Seneca County Area:

Carl Darby DVM will discuss mill dog health issues.

In addition to our guest speakers:

Gail Furst of K-9 Healers is certified to perform the canine good citizen and pet therapy international tests. She will be joining us that day and will conduct the canine good citizen test for a minimal fee.

This will be a day filled with educational speakers, music, vendors, an animal communicator and demonstrations. Visit with more than 20 local and National rescues, and get the chance to see the wonderful dogs they have for adoption. Please visit the website at <http://www.pupymillrescue.com/bark.htm> for a list of participating rescues and vendors.

Food including vegetarian selections will be available that day. A chicken barbeque will also be available to benefit the Yates County Humane Association.
